

A CREATIVE SUMMER

2016

A 5 WEEK PROGRAMME

5th July to 4th August

Information
pack

Dear Parents and Students,

We would like to welcome you to the third consecutive edition of **A Creative Summer 2016.**

This year we will be offering a 5-week intensive morning programme between the 5th of July and the 4th of August. Classes will be running between 9am and 1pm and a variety of theatre-making skills will be taught. At the end of the 5 weeks, parents will be invited to a sharing of work showcasing the creative process which the students would have undergone throughout the summer programme.

The aim of 'A Creative Summer' is to offer an opportunity to the students to experience the Arts, both as Performing Artists and Visual Artists. The Performing Arts include; dance / movement, acting, music and singing, and for the first time this year we are also introducing new classes in the Visual Arts including; painting, photography, clay-modelling, set-building, puppet-making and prop-making. During a Creative Summer we encourage the students to experience different art forms and to come together to create a final performance.

As a team we strongly believe in an education through the arts. Apart from learning distinct art forms, an Art Education explores various attributes that contributes to a holistic education. Art Education encourages observation, expresses feeling, nurtures relationships, explores various options through creativity and adopts a process-driven teaching strategy focusing on the individual needs of the children.

A Creative Summer is organised by Danza C, the Hoi Polloi Academy, in collaboration with The Box - A Creative Arts Space as part of the Summer Educational Programmes.

Thank you for your support!

The Creative Team
