

Summer Dance Club with
Danza C

July | August | September 2017

Dear Parents,

I am very happy to present to you the **Danza C Summer Program** for 2017 aimed for dance students 8+, designed to challenge and inspire all participants. This year for the **July Dance Intensive 11+** I would like to invite over two guest international dance teachers and focus on learning classical and contemporary repertoire. For the **August Dance Intensive**, Danza C would be working on presenting a dance piece during a show held annually in Mellieha.

Summer Program :
